Press Release Title: WL Marketing Announces Updates to Several Online Marketing Fulfillment Services

Your Submitted Press Release:

New and improved service options contribute even more of the flexibility, transparency, and responsiveness that benefit clients so much, WL Marketing reports

WL Marketing announced recent updates to some of its most popular online marketing fulfillment services. From [Guest Post Submissions](http://www.wlmarketing.com/guest-post-submission-service.html) and [Link Building Services](http://www.wlmarketing.com/) to [Local Business Listings](http://www.wlmarketing.com/local-business-listing-service.html), the new options will help marketing agencies, consultants, and webmasters achieve their goals in even more flexible, cost-effective fashion.

As with every WL Marketing fulfillment service, the new and updated options include full reporting and are carefully tested to ensure fast, reliable turnaround and project quality. Since 2007, WL Marketing has provided a wide range of search engine optimization (SEO) and digital marketing fulfillment services, and the updated offerings will deliver even more of the flexibility, transparency, and responsiveness for which the Dallas-based company has become so well known.

"We pride ourselves on making things easier for our clients," said WL Marketing founder Warren Wong, "and one important way of doing so is aligning our service options as closely as possible with their actual needs. We've recently updated a number of our standard service offerings in order to account even more accurately for our clients' demonstrated goals and requirements. As always, our customers can count on fast, affordable service from our informed industry veterans, and these new options are going to make it even easier to take advantage of what we have to offer."

Modern SEO campaigns can involve everything from keyword research and on-page optimization to guest posting, ongoing blogging, maintenance of business directory listings, and much more. WL Marketing was founded to create a central, reliable source for the whole range of such SEO and online marketing needs. With over 200 employees spread between its Dallas headquarters and satellite offices in India and China, WL Marketing offers a wide selection of top-quality online identity, content creation and distribution, digital outreach, and marketing strategy services.

Thanks to recent updates to a number of the company's standard service options, making use of this proven source of highly effective digital marketing support has become even easier and more affordable. The new and updated options are detailed in full at the WL Marketing website. Clients can continue to count on the same quality of service, reliability, and responsiveness that have helped make WL Marketing one of the leading companies in its field.

About WL Marketing:

With fast turnaround, real-time project tracking, and a focus on building long-term relationships, WL Marketing offers a full range of online marketing fulfillment services that combine flexibility and cost-effectiveness with consistent quality to produce results.
